About Pacific Northwest Sculptors

Pacific Northwest Sculptors is a volunteer driven 501 (c) (3) organization comprised of sculptors, persons in associated fields and those with an interest who live and work in the Northwest. Its purpose is to foster the art of sculpture by increasing public awareness of the issues and techniques that surround sculpture and to facilitate communication between member sculptors. pnwsculptors.org

About International Sculpture Day

Founded in 2015 by International Sculpture Center (ISC), International Sculpture Day, or IS Day, is an annual celebration event held worldwide the week of April 24th to further the ISC's mission of advancing the creation and understanding of sculpture and its unique, vital contribution to society. Up to 300 artists and organizations in 20 countries are expected to celebrate with artist talks, open studios, unveilings, sculpture scavenger hunts, pop up exhibitions, demonstrations, iron pours, plus much more. sculpture.org Share Photos: #isday Instagram: @IntSculptureDay Twitter: @intsculptureday FB: /InternationalSculptureDay
