This summer The Allison Inn & Spa, ART Elements Gallery and the Pacific Northwest Sculptors will host the first annual Art of The Allison Outdoor Sculpture Exhibition. Located at the gateway to Oregon's Wine Country, The Allison Inn & Spa is internationally acclaimed. The outdoor exhibition will be installed throughout the grounds at The Allison Inn & Spa from June through September for their guests to enjoy and purchase throughout the peak tourism season.

### **About the Art of The Allison**

Four years ago, the Austin Family (owners of The Allison Inn & Spa) issued a call to artists for the interior artwork throughout the inn and spa. Over 500 original art pieces from Oregon artists were purchased for The Allison's private collection. This year the Art of The Allison Inn & Spa committee is planning to purchase an outdoor sculpture through this exhibition to add to their spectacular collection.

In conjunction with the outdoor sculpture exhibition, there will be an interior small sculpture show and sale in the Allison's Coppergold Ballroom Lobby.

### **About Pacific Northwest Sculptors**

Pacific Northwest Sculptors is a volunteer driven 501(c)(3) organization comprised of sculptors and persons in associated fields who live and work in the Northwest. Its purpose is to foster the art of sculpture by increasing public awareness of the issues and techniques that surround sculpture and to facilitate communication between member sculptors. PNWS sponsors seminars, workshops, lectures and art events that are open to the public. Meetings are held monthly and may be educational—featuring a demonstration, lecture or studio tour; or general giving the members the opportunity to freely interact. Member benefits also include exhibition opportunities, exposure on the PNWS online gallery, but most importantly the opportunity to interact with other sculptors.
