

PACIFIC NW SCULPTURE SHOW 'INTO THE DEPTHS'

June 2 -July 31, 2023

RUNYAN GALLERY - NEWPORT VISUAL ARTS CENTER

We are pleased to offer PNW sculptors the opportunity to participate in an exciting 2023 Summer show at the Newport Visual Arts Center. We have been welcomed back after our previous PNWS group show at this venue in 2017. The Runyan Gallery is an 1100 s. f. space located on the first floor of the Newport Visual Art Center at the Nye Beach turnaround, right on the ocean at Newport. This is an opportunity to promote sculpture, while also exposing our work to the entire Oregon Coast. We hope to feature a wide range of exceptional sculptures from our membership, with both free-standing and wall pieces encouraged. We look forward to seeing sculptures that best express the strength and spirit of your personal creative vision, style, and commitment to quality.

SUBMISSION GUIDELINES

Theme: Dive 'Into the Depths' of your own unique imagination and share what you see in the sea! Is it the myths, legends, history, mystery, human migrations, or unusual sea creatures from the briny deep? Perhaps it's the raw power that drives the weather and commerce, or the life-sustaining liquid beauty that envelops more than 70% of our planet.

- PNWS members may submit up to 3 pieces
- Sculptures may be in any medium
- No entry fees
- Artists receive 60% of sales and the other 40% goes to the gallery
(Oregon Coast Council for the Arts members receive an extra 5% of sales)
A \$40 OCCA membership is a great way to keep up with coastal art opportunities
- All sculptures must be able to fit through a 33" by 90" door opening.
- Hanging wall-sculptures may not exceed 25 lbs, and must be hanging ready with hardware
- Opportunities for talks and workshops with classroom space is available and welcomed!
- Artwork will be blind-juried by gallery staff and other highly qualified jurists
- Submit up to 3 jpeg images for each artwork at 1.5MG to 5MG in size
label images with: your last name_title.jpeg example: Smith_The Ocean. jpeg
keep images sharp and with limited background as for possible use in show media
